The Parks and Recreation Department (PARD) provides the citizens of Longview with parks that are clean, safe, and appealing. We take pride in our work and hope that you and your family will enjoy the beauty of over 500 acres of parks, trails and common grounds.

In addition to maintaining Longview's parks, the Maintenance Division supports other divisions within the Parks & Recreation department. We provide supplies & equipment and assist in special event set-ups and break-downs. We also maintain several athletic complexes.

Employees provide both routine maintenance and special improvements to parks and other areas. Crews perform a variety of routine tasks such as general landscaping, fertilization, chemical application, plumbing, construction maintenance and repairs, trash pickup and removal, and restroom cleaning on Park maintained properties.

This division is responsible for sidewalks and Right-of-Way maintenance, including mowing and trimming on city lots. The division is also responsible for general pool service at all city owned pools.
